Our thanks are due, and hereby tendered to the Minister of the Interior for a copy of the Session Laws of 1882, with compliments kindly placed upon our table this week.

will be raffled off Mr. H. Cornwell's celebrated

frotter Dan Rice.

We are pleased to see by the frequent riding parties, of late, that this health-giving exer cise is coming in vogue again. It has been to much neglected for several years past.

In the police court on Tuesday, a native & Anna was sentenced to pay a fine of \$50 and costs for practising medicine without a license. It appeared he had attended a half-caste infant at Waikiki, and the child had died under his

The repairs on the Likelike were completed on Saturday last, and at 11 A. M. sharp she was started down the ways. One stoppage wa made, just as the cradle touched the water after which she was lowered rapidly; time from start to casting off her fastenings, 14 minutes

A horse, attached to a vehicle, was fright ened overboard from the old custom house wharf through the rice-mill blowing off steam last Saturday afternoon, and though promp measures were taken to save the poor beast, h was drowned ere he could be rescued.

Our table was weighted, a few days since b Mr. II. Dimond with a generous supply choice basket tea, from an invoice recently re ceived by Mr. May. Passing a package our professional "tea-taster" it was pronounce good, very good. The donor will please as cept our thanks.

The palace artesian well-boring party struck water at an early hour on Saturday, the 27th ult., at a depth of 762 feet. The flow, through an 834 inch pipe, was so copious as to floor the premises and portions of King, Richard and Alakea streets ere it could be capped and

The Gospel Temperance meetings at the Bethel vestry every Saturday evening are well attended, and have proved a great help to quite a number in our community. A new effort is made to reach a certain class in the opening of a Monday evening meeting, in Smith street, by a few earnest workers. These, too, are said to be productive of much good.

Two pair of heavy iron wheels have been allowed by the government to obstruct Beretania street, near Alanai, for many weeks, for what purpose-unless a standing menace to skittish horses and timid drivers-we do not know. The narrowing of the street by the railroad may be a necessity, but we fail to see the justice of narrowing it still more by such

lay, having made a cruise in search of the Suc Meeting with strong easterly zigzag course back to port, without seeing anything of the missing steamer. Spoke the schooner Anna off Maui from Eureka, for

Saturday last turned out to be quite a recen tion day. At 11:30 A. M. His Majesty held reception at Iolani Palace, at which the Japanese Embassy were presented. At 12 M. Captain W. H. Wilson and officers of the U S. S. Lackawanna were presented, and at 12:20 His Excellency I. M. Kapena and I. L. Kaulukou were received. The Japanese Em bassy were received at 1:30 P. M. by H. R. H Princess Liliuokalani at Washington place, and at 2:30 P. M. by H. R. H. Princess Likelik at her Waikiki residence.

Kam Kwai was tried before the police cou on Tuesday last, on a charge of having opini receiver of the opium lately smuggled by Mary Nielson. She had taken the opium to the store of Kam Kwai on Hotel street, according to one Papa, a native man of about sixty, upon instructions from the Captain's boy, of the one Deborah, a young native woman, the weap-Australia, for whom she was acting as agent; on used being a large clasp knife. FUENTS AT THIO.

A very delightful sociable was held at the

evening, January 23d. There were many pres ent. The evening was particularly fine, the and diagrams to illustrate important points ont. The evening was particularly fine, the therein. The concluding lectures of the course full moon made the night seem almost like day. Many of the young people promenaded the walks of the beautiful garden, while the veranda was full of those who had various games to amuse them. The older por tion were pleasantly entertained in the parlor pronation on their own account on the 12th by Mrs. S. L. Coan, Mrs. A. B. Loebenstein and Miss Annie Austin, who each sang a sole very finely, Earnest and Eather Lyman attend. They have an amphitheatre all (children) sang two ducts beautifully and were ready prepared capable of scating 30,000. Be-encored. Levi Lyman recited a very amusing ing at a loss for a crown, they think of using selection entitled "The Baldheaded Man, the crown of an old hat. The invitations will well rendered. Mrs. S. L. Austin and sor mittee expect that no remarks will be made as Mrs. Jonathan Austin and daughters, from to what is, or is not, full dress, as the invita- Paukas, were present. The refreshments we tion will decide that. For instance, if very choice (as usual), were passed at half past 7 o'clock. The time appointed was means gloves and nothing else. Not wishing o'clock. It is impossible for some persons t to make a laughing stock of any particular living on time, even to get married. Every on cost," The pastor made some remarks and the meeting was then open to all. One young Mormon left his seat and marched boldly u

in front of the pulpit and made a few remarks

being an uneducated man, and then urger repentance on all: said he had traveled over the Islands and talked with the natives. After talking some time and showing his ignorance of the bible he broke down, stood several minates without uttering once, and then took hi seat. Shortly after he was through, another young Mormon arose-a stout-built young man, bombs, and the "scarecrow" to be blown up with a fine body and head—spoke from his with nitro-glycerine, which is to be fired by a seat and started out boldly, commented on the seat and started out boldly, commented on the subject of the evening, and was a better Bible scholar; urged, as the brother before him had one, repentance on all. He said that haptism was necessary to salvation; said he believe n the doctrines of Joe Smith. He had nothing say about the shepherd of Lanai, but migh have had, only that two members of the church thought that such doctrines as they taught were retiring, a man came running up towards my not needed in the Foreign Church at Hilo house from the kumakahiki-houses below, The last youth exhausted the patience of the calling for me in a loud and plaintive voice, audience, as did both, and might have talked a It was one of our Polynesian negroes that had longer time than is usually occupied had he worked here about one and one-half years. He not been requested to stop....On Friday, large muscle of the arm, which be held to stop officer Puni, who on arrival at Hakalau arrested the blood. The man was in a very excited six Chinaman for assault on a luna and started state from fear of his pursuer and weakened by for Hilo with their prisoners. A lot of Chinese loss of blood. He was properly bandaged and tried to get the prisoners awayfrom the officers, laid to rest. But we were not through with and wanted to fight them. Two Kanakas wounded the man just mentioned. I ordered away from the officers. Next morning (Saturthe man carried up to our house, where, after day) they went to the canefields and caught the left hand were cut off clean and one finger up until Monday, when they were brought before Judge Hapai. Seven were sentenced to six were sent back to work and fined each \$3.30-costs of court-and the other cases
